

Art City Inc.

Art City is a not-for-profit community art centre dedicated to providing people of all ages with high-quality art programming, free of charge. Art City's primary goal is to provide the opportunity and a safe environment to any who wish to express themselves creatively.

Over a decade ago, Wanda Koop, an internationally renowned artist, saw a need for accessible arts programming in Winnipeg's West Broadway neighbourhood. In 1998, she founded Art City, one of the first organizations of its kind in Canada. The idea: that community art programming should be accessible to all.

"We are not necessarily making artists, we are giving people the opportunity to think creatively, and my feeling is that if you can think creatively, you can survive almost anything." —Wanda Koop, Founder
