

Ateliers d'artistes TouTTouT

The mission of Les Ateliers d'artistes TouTTouT is to provide professional artists active in the Saguenay region with access to production spaces, with the aim of supporting career development through affordable services and collaborative special projects.

A non-profit organization founded in 1997, Les Ateliers d'artistes TouTTouT arose out of the Saguenay regional arts community's desire for a collective workspace adapted to their professional needs. Located since 2000 in a former school close to Chicoutimi's town centre, TouTTouT's 16,000-square-foot building accommodates a collective studio, eleven individual studios, three studio-workshops, a carpentry workshop and three cultural organizations.
