

## C2 Centre for Craft / Manitoba Craft Council

C2 Centre for Craft is a project of the Manitoba Craft Council (MCC) and the Manitoba Crafts Museum and Library (MCML).

The C2 Centre for Craft is dedicated to presenting the best of contemporary and traditional craft in Manitoba. Located in an historic building in Winnipeg's Exchange District, C2 features an exhibition gallery, shop, library, museum collection, and more. C2 is a shared initiative of the Manitoba Crafts Museum & Library and the Manitoba Craft Council.

The Manitoba Craft Council is for people who love contemporary craft: professional artists and artisans, collectors and connoisseurs, DIYers and armchair enthusiasts. It's for people who value the originality and quality of the handmade, who find meaning in making. It's for the dreamers and schemers who seek to reinterpret the material and cultural traditions of the past through a contemporary lens. It's for people who have to forge, carve, weave, fold, sculpt, knit. And for their friends and supporters. It's for you. See, smell, touch, explore the myriad expressions of contemporary craft in Manitoba and be part of a community that is shaped, motivated, and defined by its love of craft.
