

Galerie du Nouvel-Ontario

La Galerie du Nouvel-Ontario is an organization that serves Ontario artists working in contemporary and explorative art. In accord with its members' interests, la GNO facilitates exchanges, supports the development of the visual arts community and stimulates varied forms of expression in contemporary art. Its artistic mandate is to place experimental contemporary arts in the public view and to promote their appreciation.

La GNO's main activities are exhibitions of contemporary art both in its Sudbury gallery and in spaces outside the gallery. Further developmental initiatives revolve around two annual multidisciplinary activities, which welcome artists from other fields. In the course of all these events, la GNO coordinates activities that generate response to the works, including roundtable discussions, guided tours and presentations.
