

Indigenous Curatorial Collective/Collectif des commissaires autochtones

The Indigenous Curatorial Collective / Collectif des commissaires autochtones (ICCA) (formerly the The Aboriginal Curatorial Collective / Collectif des commissaires autochtones (ACC-CCA)) is an Indigenous run and led non-profit organization that aims to support and connect fellow Indigenous curators, artists, writers, academics, and professionals through various methods of gathering. The ICCA engages in critical discourses, increases professional opportunities for our members, develops programming, and most importantly works to build reciprocal relationships with Indigenous curators, artists, communities and the institutions we engage with.
