

La Maison des artistes visuels francophones inc. (MDA)

La Maison des artistes visuels francophones is a not-for-profit organization committed to the pursuit of meaningful dialogue about art and creativity for the francophone community. We provide public programs and art exhibitions that resonate with our many audiences. At La Maison, we warmly invite and welcome people from all backgrounds and ages; artists from all visual arts disciplines to engage in a multi-cultural dialogue about distinct minority communities, identity and sense of place. We provide professional support for artists every step of the way in innovative ways in which to experience art for the community at large.

It sees to their development and is dedicated to the defense of their individual and collective interests. The activities of La Maison must meet the needs of representation, training, promotion and dissemination of the visual arts.
