

Niagara Artists Centre

Niagara Artists Centre is a not-for-profit, charitably registered, member-driven collective formed by and dedicated to serving the working artists and community of Niagara. Founded in 1969 as a collective of working artists, NAC is one of the oldest artist-run organizations in Canada and is committed to distinguishing Niagara through the contemporary visual and media arts.

NAC provides a forum for the development, exhibition and appreciation of contemporary art by providing facilities, equipment, professional expertise and a supportive atmosphere for arts research, advocacy and dissemination.

NAC believes that the arts and a critical dialogue on the arts are integral to a healthy community.
