

PAVED Arts

PAVED Arts is a non-profit artist-run centre for production, presentation, research and dissemination of contemporary media arts. The word PAVED is an acronym signifying the integration of media art forms addressed by our mandate: Photographic, Audio, Video, Electronic, Digital. PAVED Arts exists to support artists who work in these media.

Our mandate is to support local, regional and national artists working in the “PAVED” arts by operating an access and production centre for media and new media creation, while simultaneously operating a presentation centre that exhibits and disseminates contemporary visual, media and new media art in time-based, gallery, and off-site modes.
