

PERTE DE SIGNAL

PERTE DE SIGNAL is a Montreal-based artist-run centre that fosters and promotes the development of the digital arts and innovative artistic uses of technology. From audio performances to video projections, mechanical/robotic installations to public interventions, the members of PERTE DE SIGNAL work in a variety of media and explore a wide array of artistic and formal approaches.

PERTE DE SIGNAL is committed to:

- Promoting its members' work on the national and international scenes
- Supporting creative research and experimentation
- Developing critical thought surrounding the digital arts
- Engaging with a range of audiences

Above all, PERTE DE SIGNAL is a forum that encourages initiatives, cultivates collaboration and supports the transmission and exchange of expertise within the greater arts community.
