

# Praxis Art Actuel

\*\*\*Praxis Art Actuel is now permanently closed\*\*\*

Praxis Art Actuel is an artist-run centre. This non-profit organization was launched in 1983 in Sainte-Thérèse, in the Quebec's Lower Laurentian region, to support the development of innovative artistic practices. Praxis is currently located on the second floor of the Centre J. Olindo-Gratton.

Praxis welcomes, accompanies and supports artists within the framework of its regular exhibition and special events programming.

At Praxis, artists distance themselves from standard exhibition frameworks and instead immerse themselves in public space, drawing inspiration from the environments in which they find themselves in order to reflect and create.

In short, Praxis contributes to the development of today's art practices and stimulates the cultural vibrancy of the region by promoting research, exchange and collaboration.
