

St. Michael's Printshop

St. Michael's Printshop exists to promote and develop printmaking as an art form. We offer opportunities for production through studio rentals, contract printing, artist residencies and a scholarship program. We supplement our production mandate with a vigorous educational program, open studio days and group tours/visits. St. Michael's operates a small gallery used to display and sell original print works, and to offer exhibition opportunities to members and community groups. 2014 marked the fortieth anniversary of St. Michael's Printshop.
