

St. Michael's Printshop

St. Michael's Printshop (SMP) exists to develop and grow printmaking as a participatory and accessible art form. SMP provides the facilities and opportunity for visual artists from across the province, Canada, and internationally, as well as for its local community, to learn and engage in the art of printmaking. One of the province's few artist-run centres and the only artist-run printmaking studio, SMP promotes and continues to push the boundaries of printmaking as a contemporary art form. SMP provides space and specialized equipment for artists to work, educational opportunities through scholarships and workshops, and residencies through its visiting artist program.
