

Whippersnapper Gallery

Whippersnapper Gallery is an artist-run centre committed to the cultivation of inclusive spaces for emerging visual and media arts, community arts and experimental forms of exhibition-making. We provide artists and cultural producers with exhibition space and a flexible platform to expand the parameters of their professional practices. Whippersnapper is structured to encourage peer-to-peer mentorship and to promote success by the artists' own standards. Through critical and diverse programming, Whippersnapper initiates new relationships and unexpected conversations. We facilitate exchange between artists and local communities, and between a spectrum of emerging and established art communities throughout Toronto and Canada.
